REQUIREMENTS AND PROCEDURES FOR ISSUING RV LOT PERMITS**

I. REQUIREMENTS:

1. Only boats and trailers, campers or RV's (herein called "vehicles") may be parked in the RV lot.
2. The vehicle must belong to an LHCA #1 homeowner and be registered by that homeowner.
3. The vehicle must have current Fairfax County and Virginia vehicle registration (if military, as appropriate, but registration must be current). Boats must be registered with the Coast Guard.
4. The owner is responsible for keeping the vehicle license and registration requirements up-to-date. Failure to maintain current license and registration will cause the Parking Committee to have the vehicle removed from the RV lot at the owner's expense in accordance with LHCA #1 Parking Rules and Regulations, and Fairfax County Code 110.

II. REGISTRATION PROCEDURE:

1. A Parking Committee Member shall review the license and registration for the homeowner's vehicle to ensure that it is appropriate and current. Ensure that it is registered to the homeowner.
2. Note the expiration date of vehicle registration on the RV lot parking application. Advise the homeowner to keep vehicle registration current.
3. Have homeowner fill out and sign the LHCA #1 application form for RV lot use. Parking Committee Member will sign the application to approve the registration.
4. File this application with other RV Lot records. Give homeowner a copy of this requirements notice.
